## PREFACE

If you are attached to any thoughts you cannot gain knowledge: the mind needs to be totally free letting awareness to do the necessary probing to realise.

Murty Dvr

There should be a reasoning, Why the mind needs to be totally free!!!

Otherwise its an authoritative statement.

Murty Dvr Hello; I cannot reason why the mind works like that except to say that when the mind is cluttered with beliefs, thoughts, wishes, desires, anticipations, hopes, expectations, plans, objectives, missions, it is in a state of confusion such that these are stumbling blocks to awareness of the environment, the reality that is transient and impermanent which is what one needs to know in order to be able to determine the reality of the moment, the truth that is necessary for one to live one's life safely and comfortably. When the mind is free of the bodily-brain interactions with it, one is one's true nature, the Self, which is free of all attachments. It is in this Self mode, that one is fully aware of the environment and can take decisions on how to live during one's next moment. One is then fully Self-sufficient and can tackle any hurdles that come one's way because the awareness of the environment discovers the truth of the situation so one can take the correct actions that threaten a person or which seeks new opportunities. This is the ongoing process of Realisation and it never ends so long as one is alive.

Do not know the truth: you will get attached to it, and that will be Self-destructive.

The self and Self are two different things as physical entities known to me only as purusho and Purushottama. Mind and atman are non-physical (spiritual) entities reflecting the self and the Self. When you gradually through satya-advaita yoga lose all attachments of the mind the ego vanishes and the mind becomes atman, and the self becomes Self. When one keeps the mind free of attachments it generates awareness (truth of the moment), This is essential for survival with dignity (Purushottama) To think of the past or the future leads to the destruction of truth in the Self mode of physical operation because reality is transient and impermanent. The atman is Brahman the all-knowing Entity of the Universe (Paramatman) or God Sri Krishna-Durga. This is why it works. This is my version of Vishista-advaita Vedanta.

In the land of the blind, the one-eyed is King with the rest of the population then following such a misguided leader towards a promised land to save them from dangerous elements in Nature where there are no longer any devils needing to be persecuted for calling themselves enlightened as self-declared geniuses and especially not one like me who contends that he has spent a life-time determining truths in Freethought and Rationalism to arrive at the Formula for Political-Administration that is right and proper for the creation of the perfect society in mankind that takes into account the full nuances of Nature. Marginalise them out of society by locking them up in mental institutions to treat them medically through State-regulated treatment processes for being mentally-disorderly with delusions of grandeur as I have exhibited to being an avatar of God Sri Krishna to restore law and order on Earth at a time in history of impending environmental catastrophe and declare them through State Psychiatrists as insane by rubber-stamping the judgment as me being so unruly as to require the imposition of all kinds of anti-psychotic medications with the changing of these medications periodically to suppress my pronouncements as a political prisoner of the State; and give him menial State-jobs to do as a discarded piece of rubbish unfit for high office in the State.

But say naught the struggle not availeth for where there is certainty there is hope that every dog will have his day in the court of public opinion. One should therefore not look left or right or backwards but continue on full steam towards ones ideals and principles and let Nature take its course always. So I am not attached to any mission and do not have any short or long-term objectives (never have done) no matter what my changing convictions were and wait to see the results of my moment by moment duties and righteous actions performed in the spirit of live and let live, as is the central feature of Vaishnavism, the dharma that rakshati rakshita.

Josh Reilly

Except that knowledge is built on a giant pyramid of underlying observations, experiences and proofs. It's impossible to know what you are experiencing without remembering what you have already experienced. Be flexible, but don't be vacant.

Josh Reilly Whatever the level of accumulated knowledge one builds up in the memory banks of ones brain is always there for the Self state of awareness to draw upon instantaneously so you do not have to consciously remember and regurgitate it to be able to gain more knowledge to build in your memory banks further. To remember is an impediment to gaining greater truths. So the mind does need to be vacant and thereby free.

Amer Husain

You cannot gain knowledge without some 'attached' thoughts as the basis of exploration. Not even in mathematics where you begin with axioms. The only time this statement makes any possible sense is if you're trying to achieve some meditative state of nothingness whatever that may be but then that will not provide you any knowledge expressible as a coherent thought.

Reply 18 h

Shantanu Panigrahi

Amer Husain The most important thing is to protect the mind to attain peace of mind. So do not explore. Let truths come to the mind,

There should be no objectives, even objective to gain knowledge. This is not meditation but the knowledge on how to protect the mind which is all that we have. It is a state of being that comes when one is nonchalant, spontaneous and unpremeditated in ones actions and reactions.

## To Conservatives

10.22 am 9 December 2022

*Contact Point message sent*

Thank you for your letter from Rt Hon Rishi Sunak to me in the post received yesterday seeking donations to the Party.

I was a member of the Conservatives a year and half ago but for various reasons the membership was discontinued. This explains why you still have my name and address in your records to send me material through the post.

I have tried to set up an alternative political party named the Conservative Libertarian Party of the United Kingdom in a bid to see changes made to the way the nation is governed, my experience of the past 25 years has revealed certain issues that the Party may be willing to consider going further towards the next general election: These are summarised in the attached link:

<https://www.knowledgeassessmentanddissemination.com/post/your-application-for-the-role-of-retail-customer-service-assistant-1>

I would like to renew my membership of the Conservative Party and participate in the conference and online forums that was cut short because of disagreements on views.

Please confirm to me that there are currently no reasons why my application for membership of the Conservative and Unionist Party would not be accepted.

Yours sincerely

Dear Ms Davies

Thank you for your email that you have updated your records. Have you checked with Dr Rafiq as when the £200 was credited to his Account: Sort Code 40 37 25 Account Number 02628287?

The other thing with your email is that It read Dear Miss Idea', so it could be that there was a mix-up with another patient.

Hope it is all settled now. Rashmi has an appointment with Medway Maritime Hospital on 14 December 2022 at 3.00 pm and with Benenden Orthopaedic Department on 16 December 2022, so we are hoping that Dr Rafiq who also apparently works for the NHS will share his expertise with Dr Pillai so that a treatment plan is put in place, for Rashmi is still in a lot of pain and not able to walk without a walking stick. There was talk that a steroid injection could be part of the solution but following these appointments we would be in a better position to know what her future holds, as to whether we may go and see Mr Cummings at Shloen Clinic in Harley Street, if local Orthopaedic and Spinal Consultants cannot come up with a treatment plan that works for her. Benenden did a thoracic MRI scan to add to the MRI scans that Spire Alexandra did, and I hope Spire and Medway Maritime Hospital would have access to the actual scans for the NHS treatment programme, or Shloen Clinic treatment programme if that becomes necessary.

Our relatives in India are asking us to go to India because of the delays in Rashmi getting the treatment she needs here in the United Kingdom, but my impression of medicine in different countries is that she cannot get better diagnosis and treatment here in this country. Hope my faith is not unfounded.

Please let Mr Rafiq be aware of this email.

Thank you.

Dear Sirs

Your stance is unacceptable and I will exhaust all legal avenues in the United Kingdom to bring Wordpress and Lulu to answer in a court of law because it amounts to Defamation, loss of intellectual property, loss of career prospects for me thereby amounting to loss of income, and the loss of material that was the result of years of hard work, Account holders do have these rights and you cannot simply wish away under the assumption that we as writers do not need to go through the due process of examining what actually I did wrong that the websites and books got suspended by Wordpress and Lulu publishing depriving me of recognition that I deserve. It is vindictive on the part of both Lulu and Wordpress to have dislodged these materials from the public domain without giving me a chance to take the material to another publisher of books and publisher of websites. It amounts to a Hate Crime against me.

 Your comment:

Dear Sirs

Your stance is unacceptable and I will exhaust all legal avenues in the United Kingdom to bring Wordpress and Lulu to answer in a court of law because it amounts to Defamation, loss of intellectual property, loss of career prospects for me thereby amounting to loss of income, and the loss of material that was the result of years of hard work, Account holders do have these rights and you cannot simply wish away under the assumption that we as writers do not need to go through the due process of examining what actually I did wrong that the websites and books got suspended by Wordpress and Lulu publishing depriving me of recognition that I deserve. It is vindictive on the part of both Lulu and Wordpress to have dislodged these materials from the public domain without giving me a chance to take the material to another publisher of books and publisher of websites. It amounts to a Hate Crime against me.

Yours sincerely

Dear Dr Panigrahi,

We wrote to you on 8th November (below) to enquire whether you wished for the OPCC to undertake a review into whether Kent Police's decision to take no further action over complaint CO/1211/22 was reasonable and proportionate; or whether you wished to withdraw the request.

We received no confirmation that you wished to withdraw the request and so please find attached correspondence in this regard.

Yours sincerely,

Subject: RE: EXTERNAL - Re: Request for Review CO/1211/22 Panigrahi

Dear Dr Panigrahi,

Thank you for your email of yesterday afternoon. In response to your queries, I advise you of the following:

The OPCC has no appeal role with regards your civil claim for financial compensation, and/or your injunction request.

The OPCC has no appeal role or other role in 'passing judgement' with regards any legal matters including Kent Police's decision to issue you with a speeding fine. These are operational policing matters and are not within our remit.

The OPCC is unable to provide you with any reports or copies of Kent Police documents. If you have not received a report from the Professional Standards Department (PSD) regarding a complaint against Kent Police you should contact them for a copy via email at [PSD.Complaints@kent.police.uk](mailto:PSD.Complaints@kent.police.uk). Alternatively, if you consider it appropriate to raise a Subject Access Request (a SAR) in relation to any data or information which has been collated by or on behalf of Kent Police, then a request can be made to the Kent Police Public Disclosure Team via email at [public.disclosure@Kent.police.uk](mailto:public.disclosure@Kent.police.uk)

It is solely our role to judge whether Kent Police have acted reasonably and proportionately in handling your complaint. For the avoidance of any doubt, by 'your complaint' I specifically mean the correspondence you sent to Kent Police dated 16th October. That correspondence was logged by PSD under reference CO/1211/22 and you received a response from the PSD Complaints Team on 2nd November (copy attached). In your particular case our role would solely be to assess whether the decision to take no further action was reasonable and proportionate.

If you do not wish us to undertake the review into whether Kent Police's decision to take no further action over complaint CO/1211/22 was reasonable and proportionate, then please let us know that you wish to withdraw the request.

Otherwise, our aim will remain to provide you with a response to that point by 30th December 2022.

Dear Sir

I have studied the OPCC's remit in full, and have some points for you to address so that I may be able to decide whether to Appeal or have the Medway County Court deal with the dispute under Claim J00ME572, that since May 2022 has sought an injunction against Kent Police with a Money Claims Application as attached: Document\_2022-05--13\_152026.pdf.

First and foremost, I have never received a Report from Professional Standards Department of Kent Police over the past year since my arrest and confiscation of family property, nor a Crime Reference Number or a Crime Report: until these are forthcoming I would not be able to judge whether your decision would be pertinent to the complaint.

Secondly, as I mentioned to the Central London County Court, the decision of Kent Police to try and impose a fine on me through the back-door when I had already taken quite legally the option to attend a Speed Awareness course and had paid £92 to Kent County Council being booked for the Course on 11 January 2022. was perverse: Can the OPCC pass judgment on this complaint.

I know that Kent Police do not have a leg to stand on both on the matter of the Hate Crime perpetrated on me for over a decade, but if OPCC is unable to investigate this thoroughly, there is no point in the Appeal.

I trust you will take these points into account and let me know what the OPCC can or cannot do in light of the fact that the Particulars of Money Claim against Kent Police has now risen to £4.3 million as shown in the attached: Particulars of Damages and Compensation (CLAIM J00ME572).pdf.

I am writing to acknowledge your request for a review of the outcome of your complaint. It is the role of the Office of the Police and Crime Commissioner to determine whether the handling of your complaint was reasonable and proportionate; and if not, to make recommendations to Kent Police to redress any concerns.

Firstly, we need to ensure that a number of key criteria are in place before we consider your request. We must ensure that:

The OPCC is the correct body to review your complaint;  
That you have the right to request a review;  
That the request is valid; that is, it contains all the necessary details for us to consider the review;  
That it has been made within the 28 day-limit, or if not, there is a valid reason for the request to be outside of this period.

I should also clarify that it is not the role of the OPCC to make a judgement on legal issues, or operational matters such as on-going or concluded criminal cases. It is solely our role to judge whether Kent Police have acted reasonably and proportionately in trying to resolve your complaint.

This means that I will not be re-investigating the matter of your complaint or the action taken by police. These are operational policing decisions and are not within the remit of this review.

Please note that this office is a separate entity to Kent Police, our role in law is the review of your complaint outcome. We are not the owners of the data/information provided to us for the purpose of this review. If you consider it appropriate to raise a Subject Access Request in relation to any data or information which has been collated by or on behalf of Kent Police, then all requests must be made to Kent Police direct via the Public Disclosure Team who can be contacted via email at [public.disclosure@Kent.police.uk](mailto:public.disclosure@Kent.police.uk)

I will review the points that you have raised and will aim to provide you with a response within 40 working days from the date of this acknowledgement ie I will aim to respond to you in full by 30th December 2022. Please note that this may not always be possible and if there is likely to be any delay I will notify you accordingly.

For the past decade, Kent Police has been terrorising me with one thing or the other, most significantly on the attached matter of arrest and confiscation of our family property - please check through:

The document that I submitted made it clear that I had apologised and had never before had a Speed Awareness Courts which I need in view of my mental health condition, yet Kent Police take no account of this and continue to terrorise me with one thing or the other. Further, it has protected criminals of Victims of Panigrahi Association to enable it to continue to defame and denigrate me with incessant manipulation of the due process of justice and law and order and as such has been

sending me deceitful emails that was brought to the attention of the Judiciary at the Central London County Court. The Court took no action against Kent Police, and neither did Medway County Court on the injunction that I applied for to stop Kent Police perpetrating its Hate Crime on me and my family.

I had demanded from Kent Police £3.5 million in damages and compensation for the decade long terrorism, and this is being ignored while it does not respond to the Freedom of Information Request, as linked here: Kent Police: Freedom of Information Request FOI/01299/222 (knowledgeassessmentanddissemination.com)

With these grounds I am appealing against the decision of Kent Police to enforce a fine on me for the Speeding Offence which I have no recollection of as you will note from the records, but to smooth the passage of proceedings I had apologised.

th December 2022

Ref: CO/1211/22

Dear Dr Panigrahi,

I am writing following what we regarded as your request for a review of the outcome of your complaint, reference CO/1211/22. It is the role of the Office of the Police and Crime Commissioner (OPCC) to determine whether the handling of your complaint was reasonable and proportionate; and if not, to make recommendations to Kent Police to address any concerns.

Firstly, we need to ensure that a number of key criteria are in place before we consider your request. We must ensure that:

- i. The OPCC is the correct body to review your complaint;
- ii. That you have the right to request a review;
- iii. That the request is valid; that is, it contains all the necessary details for us to consider the review;
- iv. That it has been made within the 28 day-limit, or if not, there is a valid reason for the request to be outside of this period.

In respect of your request, all these criteria are met, and I have therefore considered the request you sent to us on 5th November.

The first point that requires clarification is that it is solely our role to judge whether Kent Police have acted reasonably and proportionately in handling your complaint. In your particular case, it is to assess whether the decision by the Appropriate Authority (AA) to take no further action over your complaint was reasonable and proportionate.

I note that your complaint, made to Kent Police by email on 16th October, was regarding two police investigations:

- You wished to challenge a Kent Police decision that you should have to pay a £100 Fixed Penalty Notice (FPN) for a speeding offence instead of attending a Speed Awareness Course;
- You provided evidence in your defence regarding the ongoing stalking/harassment investigation for which you had been arrested in November 2021.

Following receipt of your complaint, the AA assessed and recorded your complaint. In a letter to you, dated 2nd November, Kent Police then explained why no further action was being taken, citing statutory guidance produced by the Independent Office for Police Conduct (IOPC) which states that it may not be reasonable and proportionate to take further action with a complaint where the matters would be better handled by another process:

“...the allegation relates to action taken in respect to an offence of excess speed. There is a legal process which has to be followed in respect to such offences. Further, as you have pointed out that you are dissatisfied with this procedure, there is an appeals process to follow. This would be the most appropriate avenue rather than using the police complaints process...”

“The document of a Defence Case Statement produced by you is in respect to ongoing criminal matters and as such, should be relied upon during the criminal justice process rather than the police complaints process.”

The letter from Kent Police explained you had a ‘Right of Review’ from us here in the OPCC if you were dissatisfied with the decision to take no further action.

You wrote to us on 5th November stating you wished to appeal “the decision of Kent Police to enforce a fine on me for the Speeding Offence which I have no recollection... Please let me know how this Appeal is to proceed immediately.”

We considered that as a possible ‘Right of Review’, and we sent you an acknowledgement on 7th November.

A reply from you on 7th November raised further questions about the role of the OPCC in handling any appeal(s) regarding civil or criminal matters. We responded on 8th November stressing that our role would solely be to assess whether the decision to take no further action was reasonable and proportionate over complaint CO/1211/22.

In that regard, having completed my review, I am satisfied that there are other processes which are better suited to handling the issues you raised on 16th October:

- I note you have been in contact with the Central Process Unit (CPU) within Kent Police’s Driver Diversion Team to appeal your FPN. They confirmed on 15th November that you could have the matter heard in court, with the speed awareness course and FPN options withdrawn. You replied in writing confirming you did wish to contest the speeding offence at court; and accordingly your case has been referred for consideration of court action.

- I note the stalking/harassment offence for which you were arrested in November 2021 remains a live

police investigation (case file reference 46/XY/9708/21). You have the opportunity to present any evidence in your defence during the criminal justice process.

Taking into account all of the above, I have concluded that the way the complaint has been handled is reasonable and proportionate. This decision is final; should you wish to challenge it, you would have to take legal advice and consider a judicial review. Should you wish to take this course of action, the following link may be of assistance to you: <https://www.gov.uk/guidance/administrative-court-bring-a-case-to-the-court>

Dear Ms Davies

The thoracic MRI was done at Benenden Hospital in Cranbrook about a month ago: please request them to send it to Spire Alexandra and Medway Maritime Hospital so that all the MRI scans and the X-ray scan of July by Meddoc can be accumulated at one place ahead of the appointment of 14 December 2022 at Medway Maritime Hospital. We do hope it would not be necessary for us to go to Harley Street Shloen Clinic as my wife cannot travel with her spinal/back problem. We either have treatment with NHS at Medway Maritime Hospital or at Spire Alexandra preferably the former due to our funding problems.

Thanks for getting back to me.

Thank you for your email that you have updated your records. Have you checked with Dr Rafiq as when the £200 was credited to his Account: Sort Code 40 37 25 Account Number 02628287?

The other thing with your email is that It read 'Dear Miss Idea', so it could be that there was a mix-up with another patient.

Hope it is all settled now. Rashmi has an appointment with Medway Maritime Hospital on 14 December 2022 at 3.00 pm and with Benenden Orthopaedic Department on 16 December 2022, so we are hoping that Dr Rafiq who also apparently works for the NHS will share his expertise with Dr Pillai so that a treatment plan is put in place, for Rashmi is still in a lot of pain and not able to walk without a walking stick. There was talk that a steroid injection could be part of the solution but following these appointments we would be in a better position to know what her future holds, as to whether we may go and see Mr Cummings at Shloen Clinic in Harley Street, if local Orthopaedic and Spinal Consultants cannot come up with a treatment plan that works for her. Benenden did a thoracic MRI scan to add to the MRI scans that Spire Alexandra did, and I hope Spire and Medway Maritime Hospital would have access to the actual scans for the NHS treatment programme, or Shloen Clinic treatment programme if that becomes necessary.

Our relatives in India are asking us to go to India because of the delays in Rashmi getting the treatment she needs here in the United Kingdom, but my impression of medicine in different countries is that she cannot get better diagnosis and treatment here in this country. Hope my faith is not unfounded.

Please let Mr Rafiq be aware of this email.

Thank you.

The reason that I did not communicate further with you on the review process is that this matter of Kent Police's Hate Crime on me on which it refuses to consider the said Complaint any further has been referred to East Kent Magistrates Court, North Kent Magistrates Court and Maidstone Crown Court as linked here, and that is where the proceedings are currently being held given that the Medway County Court did not take the actions that I required as the Claimant of J00ME572:

Dear Dr Panigrahi,

Thank you for your email of yesterday afternoon. In response to your queries, I advise you of the following:

The OPCC has no appeal role with regards your civil claim for financial compensation, and/or your injunction request.

The OPCC has no appeal role or other role in 'passing judgement' with regards any legal matters including Kent Police's decision to issue you with a speeding fine. These are operational policing matters and are not within our remit.

The OPCC is unable to provide you with any reports or copies of Kent Police documents. If you have not received a report from the Professional Standards Department (PSD) regarding a complaint against Kent Police you should contact them for a copy via email at [PSD.Complaints@kent.police.uk](mailto:PSD.Complaints@kent.police.uk). Alternatively, if you consider it appropriate to raise a Subject Access Request (a SAR) in relation to any data or information which has been collated by or on behalf of Kent Police, then a request can be made to the Kent Police Public Disclosure Team via email at [public.disclosure@Kent.police.uk](mailto:public.disclosure@Kent.police.uk)

It is solely our role to judge whether Kent Police have acted reasonably and proportionately in handling your complaint. For the avoidance of any doubt, by 'your complaint' I specifically mean the correspondence you sent to Kent Police dated 16th October. That correspondence was logged by PSD under reference CO/1211/22 and you received a response from the PSD Complaints Team on 2nd November (copy attached). In your particular case our role would solely be to assess whether the decision to take no further action was reasonable and proportionate.

If you do not wish us to undertake the review into whether Kent Police's decision to take no further action over complaint CO/1211/22 was reasonable and proportionate, then please let us know that you wish to withdraw the request.

Otherwise, our aim will remain to provide you with a response to that point by 30th December 2022.

Dear Sir

I have studied the OPCC's remit in full, and have some points for you to address so that I may be able to decide whether to Appeal or have the Medway County Court deal with the dispute under Claim J00ME572, that since May 2022 has sought an injunction against Kent Police with a Money Claims Application as attached: [Document\\_2022-05--13\\_152026.pdf](#).

First and foremost, I have never received a Report from Professional Standards Department of Kent Police over the past year since my arrest and confiscation of family property, nor a Crime Reference Number or a Crime Report: until these are forthcoming I would not be able to judge whether your decision would be pertinent to the complaint.

Secondly, as I mentioned to the Central London County Court, the decision of Kent Police to try and impose a fine on me through the back-door when I had already taken quite legally the option to attend a Speed Awareness course and had paid £92 to Kent County Council being booked for the Course on 11 January 2022. was perverse: Can the OPCC pass judgment on this complaint.

I know that Kent Police do not have a leg to stand on both on the matter of the Hate Crime perpetrated on me for over a decade, but if OPCC is unable to investigate this thoroughly, there is no point in the Appeal.

I trust you will take these points into account and let me know what the OPCC can or cannot do in light of the fact that the Particulars of Money Claim against Kent Police has now risen to £4.3 million as shown in the attached: Particulars of Damages and Compensation (CLAIM J00ME572).pdf.

Dear Shantanu,

Re: CO/1211/22

I am writing to acknowledge your request for a review of the outcome of your complaint. It is the role of the Office of the Police and Crime Commissioner to determine whether the handling of your complaint was reasonable and proportionate; and if not, to make recommendations to Kent Police to redress any concerns.

Firstly, we need to ensure that a number of key criteria are in place before we consider your request. We must ensure that:

The OPCC is the correct body to review your complaint;  
That you have the right to request a review;  
That the request is valid; that is, it contains all the necessary details for us to consider the review;  
That it has been made within the 28 day-limit, or if not, there is a valid reason for the request to be outside of this period.

I should also clarify that it is not the role of the OPCC to make a judgement on legal issues, or operational matters such as on-going or concluded criminal cases. It is solely our role to judge whether Kent Police have acted reasonably and proportionately in trying to resolve your complaint. This means that I will not be re-investigating the matter of your complaint or the action taken by police. These are operational policing decisions and are not within the remit of this review.

Please note that this office is a separate entity to Kent Police, our role in law is the review of your complaint outcome. We are not the owners of the data/information provided to us for the purpose of this review. If you consider it appropriate to raise a Subject Access Request in relation to any data or information which has been collated by or on behalf of Kent Police, then all requests must be made to Kent Police direct via the Public Disclosure Team who can be contacted via email at [public.disclosure@Kent.police.uk](mailto:public.disclosure@Kent.police.uk)

I will review the points that you have raised and will aim to provide you with a response within 40 working days from the date of this acknowledgement ie I will aim to respond to you in full by 30th December 2022. Please note that this may not always be possible and if there is likely to be any delay I will notify you accordingly.

Dear Sir

For the past decade, Kent Police has been terrorising me with one thing or the other, most significantly on the attached matter of arrest and confiscation of our family property - please check through:

 ToKentPolice(FO! Request)Elaboration4Nov2022.docx;

 ToBPSainsburysJobApplications4Nov2022.docx;  
 DEFENCE STATEMENT ON HARASSMENT OFFENCE.docx;  
 NorthKentPoliceReleasewithoutBail.pdf.

The document that I submitted made it clear that I had apologised and had never before had a Speed Awareness Courts which I need in view of my mental health condition, yet Kent Police take no account of this and continue to terrorise me with one thing or the other. Further, it has protected criminals of Victims of Panigrahi Association to enable it to continue to defame and denigrate me with incessant manipulation of the due process of justice and law and order and as such has been

sending me deceitful emails that was brought to the attention of the Judiciary at the Central London County Court. The Court took no action against Kent Police, and neither did Medway County Court on the injunction that I applied for to stop Kent Police perpetrating its Hate Crime on me and my family.

I had demanded from Kent Police £3.5 million in damages and compensation for the decade long terrorism, and this is being ignored while it does not respond to the Freedom of Information Request, as linked here: Kent Police: Freedom of Information Request FOI/01299/222 (knowledgeassessmentanddissemination.com)

With these grounds I am appealing against the decision of Kent Police to enforce a fine on me for the Speeding Offence which I have no recollection of as you will note from the records, but to smooth the passage of proceedings I had apologised.

Please let me know how this Appeal is to proceed immediately so that I do not miss the deadline for the registration of the Appeal.

I took it as the resumption of hostilities that has dragged on for several years with Kent Police still not producing the charge-sheet against me that I need to defend myself against in Court when the matter comes up since I have not received your Apology and Compensation for my alleged Hate Crime still; and for which I would need legal representation now from June Banfield, the last Duty Solicitor appointed at Maidstone Police Station on 23 November 2022 arrest in conjunction with Hyda the Duty Solicitor appointed for me on 16 September 2021 arrest incident. A transcript of the interview at both these venues would also be required for the defence.

Would it be possible for me to be given the contact personal email addresses of these two Duty Solicitors as Vyman Solicitors are not responding with regard to June Banfield?

I would be grateful if you would kindly update me on the proceedings especially in light of the fact that I have heard nothing from East Kent Magistrates Court, North Kent Magistrates Court and Maidstone Crown Court, the Crown Court being the venue that I counterprosecuted Kent Police on the 2017 Speeding Offence on Appeal but on which I do not have the Case number because Kent Police has confiscated our desk-top computer, laptop computer, two USB Memory Sticks and Amazon Fire.

Kindly forward this email to the Duty Solicitor with the attachment A FRESH START TO HOSTILITIES.pdf.

#### ***Update:***

There was no reply for an hour so prompted by Rashmi I dialled 101 to speak to Kent Police in the Control Room where a man answered the phone. I told him what came this morning but that we were also waiting for the Desk-top computer, Amazon Fire tablet, Mobile phone and USB Memory stick from 24 November 2022. He took down my details. I said the lady who came to the house told me to phone you about this matter. He asked if I had done anything online. I said I sent an email to enquiries but no one answered. He said that he would get in touch with the relevant person and someone will contact me. The call ended.

#### ***14.17 pm (UK-Time) 11 December 2022***

Nothing came in email and I had to post the email to Kent Police, tweeting, facebooking and posting it on LinkedIn:

<https://www.knowledgeassessmentanddissemination.com/post/return-of-our-computer-devices-and-compensation>

I will also update this book now in internet archive, Global Foundation and Allurement Shop to face the future whatever it brings.

thank you for returning the hp laptop, two USB Memory Sticks and my Mobile phone this morning at 11.30 am through a WPC who came to our house and got me to sign for the return of the items taken away on 23 November 2022 in connection with the attached specific arrest result: KENT POLICE (CHARGE REFUSED) SHANTANU PANIGRAHI.pdf.

We had already purchased a replacement laptop. Mobile Phone and USB Memory Stick not knowing if and when these items would be returned to us, and these items cannot be returned to Currys and EE. So, I would be grateful if you would consider paying us £300 as roughly the amount that we ended up spending.

In respect of the attached arrest matter (NorthKentPoliceReleasewithoutbail.pdf) also presumably Charge Refused (please confirm) the items taken away from us on 24 November 2021 included a desk-top computer, Amazon Fire, Mobile Phone and USB Memory stick that I had requested Civil Claims to send us around £1500 for so that we can purchase replacement devices. so would you kindly agree to make a total of £1800 paid to our Bank Account Sort Code 20 54 11 Account Number 90098086?

I would be most grateful for your kind consideration.

Yours sincerely

General Form of Judgment or Order

In the County Court at Central London

Claim Number E35YM660

Date 19 January 2021

(The County Court Sealed)

DR SHANTANU PANIGRAHI 1st Claimant Ref  
 MRS THERESA MAY – PRIME MINISTER OF THE UNITED KINGDOM 1ST Defendant Ref  
 Z1819776/H019

Before His Honour Judge Parfitt sitting at the County Court at Central London, Thomas More Building, Royal Courts of Justice, Strand, London, WC2A 2LL.

On the Court hearing the Appellant but the Appellant withdrawing from the telephone hearing after making his submission and on the Appellant's request to reconsider the permission to appeal refused by HHJ Letham by Order dated 30 September 2019

IT IS ORDERED THAT

1. The request to reconsider permission is refused.
2. The Appellant's application was totally without merit: the DDJ's Order was wholly appropriate as a case management order and the stated grounds of appeal that the Appellant lacked access to legal advice was hopeless and the oral argument put forward that the DDJ was a liar acting as part of a conspiracy to silence the Appellant was absurd (both in its premise and in its substance – since the order under appeal gave the Appellant a final chance to make his particulars of claim good).
3. The Respondent's application for costs of the action must be referred to a DJ pursuant to CPR 3.5 (2)(a) and the Respondent's letter dated 13 January 2021 and two cost schedules contained in the Appeal bundle (in pdf format) shall be treated as application in that respect.
4. The Respondent's costs of the appeal are to be treated as Respondent's costs in the action.

Dated 19 January 2021

#### DEFENCE STATEMENT ON HARASSMENT OFFENCE

1. I have never ever sent an email from a Remailer, Austria anonymous email account, or a Nomen Nescio Account, or some other dizum account, or another anonymous email account to anyone whether an official at a government institution, or a private individual.

2. I have received hundreds of emails into my Gmail Phone Account from people like 38 Degrees, Internet Archive, and others which did not appear in my Desktop Gmail Account.

3. I have not sent any emails that has harassed anyone from my Shanpanigrahi3000@gmail.com account: hundreds appear to have been sent to people involved with the organisation Victims of Panigrahi Association but clearly my Shanpanigrahi3000@gmail.com account was highjacked to get me into legal difficulties with the Central London County Court in respect of Claim E35YM660.

4. My shanpanigrahi@yahoo.co.uk was bastardised by trolls and criminals so I could not send out any emails from this Account and had to abandon it a year ago. Any emails sent from this account was done by Victims of Panigrahi Association associated trolls and criminals.

5. All my purposeful emails and I have sent out thousands over the past 20 years were legitimate court-associated legal proceedings in relation to ME010463, ME002953, HQ17X01773, and E35YM660.

6. Whenever a particular recipient of an email from me asked me not to send them any emails, I complied with the request unless court proceedings became prejudiced from my inaction.

7. Since I started my E35YM660 Claim against the Prime Minister and Victims of Panigrahi Association for its criminal anonymous emails to me notably from Sivaji Panesar, Marty Caine, Nitin Bhardwaj, Fritz Wueller, Cherie, Egregious\_C, and others like Ed Mulhouse and Monneka Tahir, there was a systematic attempt to have me booted out of this country to places like Pakistan, because I was bringing Kent Police in a £5 million pound damages and compensation Claim in the High Court

Queens Bench Division and brought the Crown Prosecution Service to East Kent Magistrates Court on a criminal charge of perverting the course of justice and obstructing justice. That is why I considered that the UK State through its Security Services had wanted to frame charges against me of forensic or criminal nature to have me incarcerated in a mental hospital for a third time or worse to get me committed to a Trial that the County Court in Central London arranged in a Pre-Trial Hearing, but I was exonerated. I told my Consultant Psychiatrist that come what may I will never leave the United Kingdom, and this is the reason that Kent Police is charging me with a concocted summons for Harassment that is not specified to leave the State room for elaboration later. This is done to protect the Central London County Court from having to pass judgment or Order to my Appeal Application which the Court would have to justify that the University of Greenwich was lawful in withholding my £55,000 severance payment.
